Use Of Memes By Violent Extremists

Violent extremists are supplementing their traditional messaging—which can rely heavily on lengthy, academic-style recitations and philosophical arguments—with memes that are faster and easier to consume.

A 13-Step Plan For Speeding Up The Police Recruitment Process

Several variables are driving the current police recruitment crisis. Some of the issues, such as the economy and media criticism of the police, are beyond our control. Still, there are strategies police leaders can implement to increase the number of candidates applying to join departments.
